Old Business:

Fruit sale is on going. Orders are being received and fruit will be at St. Joseph-EY sometime between December 5-7 and ready for pickup by the participating councils.

The car wash fund raiser needs a chair and some volunteers to assist. SK Lehmann was recommended as chair due to his experience with this event when it first started.

The Christmas Ball is still a possibility, but volunteers are needed. There is still a possibility of connecting this activity with the St. Rose Christmas Dinner Dance in 2013.

Bingo is set for 4-28-2013. A listing of volunteers is included in these minutes. For the event to show a profit, 130 players are needed.

The Christmas Charity Ball is still a go. Co-chairs for the event are SK Amsbaugh, SK Downing, and SK Fallon. The Carlisle area has an event of this nature and an invitation has been sent to our Assembly and Councils inviting our participation. Their cost is \$35.00/head for the meal and dancing. Alcohol is extra.

Discussion and questions ensued regarding the Assembly budget. Copies of the budget were distributed for review and comment. The following information was learned:

Fund raiser profits are placed in the savings account not checking
Wounded Warrior is dropped resulting in a savings of roughly \$1,000.00
Some figures are an estimate (Friday Hospitality) while some are actual

(Annual Picnic).

The pink columns are what the Assembly could do with only dues as a source of income. This is 7 activities. The white columns are further breakdowns of income sources and expenditure sources. One particular area of interest was the St. Patrick's Day Parade. To ensure the Assembly's participation, SK Crisci motioned and SK Liesman seconded that the Assembly would stay in the parade. The motion passed by voice vote. Also a motion was made to keep the book mailings for active duty military personnel by SK Kelley and seconded by SK Liesman. The motion passed by voice vote.

The Honor guard participated in the 100th Anniversary of the Malvern Retreat Center. The Assembly had the largest number of ticked holders at the luncheon (37).

The group was reminded that applicants for Knights of Columbus scholarships were to have their paperwork in the hands of Rick Corrivou on 12-31-2012. If postmarked on 12-31-2012, he will accept it. But, applicants are reminded that waiting until December to get the required signatures may be a problem! Also, if it is necessary to get council members suspended, the time to act is now. Council quotas are approximately 7% of active member numbers. If some can be removed, it'll have the effect of getting the council realistic quota numbers.
