Winners were presented with a framed certificate, a \$50.00 gift card for each winning recipe and bragging rights.

Dessert category winner, Jacob Tedesco, is pictured below with Judges Father Steve Fernandes and Suzanne Piccolo. We never did get a straight answer on the name of the winning cake. How old is Jacob you might ask? 12 years old!

We would like to thank Father Steve Fernandes and Suzanne Piccolo for their time and professionalism. Both were extremely detailed in their judging and will be asked to judge next year's 2<sup>nd</sup> Annual Bishop McDevitt Assembly #920 Favorite Recipe Contest.

We would also like to thank everyone who participated in the contest. Barbara Ochalski, made four different recipes! Lady Sandra Brown, pictured in the red patterned top, help coordinate the entrant's and provided samples of the food to be tasted for the judges.

The best part of the program was the fact that attendees had to consume all of the favorite recipes. One contestant commented, "not a bad meal for \$5.00." Sir Knight and Inner Sentinel, Dick Lyko, pictured bottom left. Faithful Friar, Father James Menkhus, pictured bottom right.
